RE: WEIGHT LIMITS

Some County maintained roads are being posted with weight limit signs marked with green ribbons. This indicates weight restrictions are imminent.

We encourage you to check with this department frequently as conditions can change rapidly. Please refer to the Frost Law Ordinance, the link to which is on our web page, for further explanation.

Per BCRC Ordinance #422, it shall be the responsibility of the hauler to contact the Public Works Department to determine whether or not these restrictions are in place. These restrictions will remain in effect until changed, at which time updates will be posted.
